PROFILE

Content producer, video editor and qualified graphic designer based in Aarhus, working across **video, motion graphics, graphic design and social media content**.

I work **from concept to final delivery**, combining filming, editing, design and post-production. My experience includes campaigns at BET25, video content for Top Comfy and independent creative projects.

EXPERIENCE

BET25

GRAPHIC DESIGNER APPRENTICE — JAN 2023 – NOV 2026

At BET25, I work as part of the in-house marketing team, creating **graphic design, motion graphics, video and campaign content** from brief to final delivery.

My work includes **visual concepts, campaign design and animation for digital marketing, including YouTube advertising**. I'm used to working with brand guidelines, creative feedback and deadlines.

TOP COMFY

CONTENT PRODUCER · VIDEO EDITOR — MAY 2025 – PRESENT

For Top Comfy, I produce **artist interviews and event content for social media**, working across **filming, audio, editing and color grading**.

I've also produced on-location coverage at Distortion and Red Bull Soundclash following **invitations** from **Red Bull**. My work has contributed to **540K+ organic views** across TikTok and Instagram.

PERSONAL BRAND

CONTENT CREATOR · VIDEO EDITOR — FEB 2026 – PRESENT

On my own channels, I create short-form content around **editing**, **cinematography** and **visual storytelling**.

I use my own channels to test new formats, motion graphics, **pacing** and **production techniques** while continuing to develop my craft.
